

ANTHONY TOWNSHIP SUPERVISORS

Work Session Meeting

Tuesday March 26, 2019

The meeting was called to order by Dennis Sheatler, Vice Chair, at 6:00 P.M. In attendance were Supervisors Dennis Sheatler, William Hartman and Roadmaster Frank Rishel. Supervisor Hess was not in attendance. No visitors.

Reviewed the Project Estimate Sheet from PennDot Representative Barry Garverick. A decision will be made at the April 3 monthly meeting as to which roads to be put out for bid.

Discussed the meeting that Penny had with Will Bussom at the Turbotville National Bank. The bank is willing to open a credit line for the township in the amount of \$110,000 at an interest rate of 2.75% to pay for the cost of road work. Will Bussom suggested waiting until the money will be needed to do the paperwork so that the township has a longer time to pay the loan back. Approval of the loan will be on the agenda at the August 7th meeting.

Discussed the Dirt & Gravel Road grant. Frank Rishel will talk to Tyler about which roads would be eligible and then the board will discuss it further at the April 3 meeting. Application is due by April 12, 2019.

Reviewed a letter from Lewis Township requesting financial assistance for their recycling program. Will discuss it further at the April 3 meeting.

Reviewed the Spring Newsletter as submitted. More changes will need to be made. Will review it again at the April 3 meeting for final approval.

Reviewed request for payment for April.

No public comment.

There being no further official business. Dennis Sheatler made a motion to adjourn at 6:45 PM. Second William Hartman.

Respectfully Submitted by,
Penny Jo Rishel--Secretary/Treasurer
